

Change PO on Pick Ticket

Process

The process for changing the Z Pick Ticket PO number:

- When closing the Pick Ticket in the SF2 screen from Invoicing will have a new field for the New Po Number

Customer 005610 DESERT CARDLOCK FUEL					Pick Tickets to Invoice
Payment A Account		New PO Number			XXXXXX
	Customer #	Reference	Ticket	Trans	Value
1		XYZ-ABC	26812	1	128.49
2					
3					
4					
5					
6					
7					
8					
9					
10					
11					
12					
13					
14					
15					
16					
17					
18					
really change XYZ-ABC?				Y	

- If you enter a different PO number you will receive the question to “really change [original PO number]? You will need to answer the question with Y or N, the default being Y
- You will then be prompted “really invoice [original PO number]?”
- The PO number will be changed on all associated pick tickets
