R(efresh) ,E(xit) ,Q(uit) 

Any items stopping inventory updates from invoicing will be displayed.

Also, a message is sent to the offending users screen when this situation occurs.

The Refresh option will redisplay the screen with the new status of the parts

The message “**No AUDITLOCK on file**” when there are no products locked that are holding up inventory updates. Pressing enter will go back to the “**R(efresh),E(xit),Q(uit)**” message

Exit or Quit will return to the menu.
